Enjoy the freedom of having your own business and arrange working hours to suit. Grow your business in your area to the size you want it to be.

There is no doubt that waterless cleaning is **The GreenWay** of the future. NoWet the green revolutionary in car cleaning.

With the planned and widely talked about population grows resources have to be better managed. Water is a very important one. We also need to stop polluting the environment, we need to reduce using energy and thereby reducing greenhouse gas emissions. NoWet does all of that, as it is eco friendly, no water needed to clean or to recycle water.

As a franchisee you will be working with the NoWet clean & polish product all the time. It's so easy to use.

NoWet is one of the very best products to use on cars, motorbikes, 4WD, trucks, buses, boats and any hard surface such as furniture, ideal for stainless steel as it not only cleans, but also protects against finger marks.

Contact us and find out how you can start up with this low cost, great return business.

By using NoWet, you will have happy clients and great job satisfaction.
