

NoWet Auto Car Care Products, so easy to use

NoWet CarClean DIY products are available for those who enjoy their own personal touch, getting shining results on their vehicles:

- * No mess or getting wet and cold cleaning your car
- * NoWet is so easy to use; **spray** a fine mist over a small panel - wait a few seconds, then gently **wipe** up the liquid with dirt encapsulated and finish with **buffing the surface, with a clean NoWet microfibre towel**, to a brilliant NoWet shine
- * No time and money wasted to wax and polish, as NoWet all-in-one product does all that in one application
- * So easy to spot clean a dirty panel or just remove bird droppings
- * DIY car wash products, gift boxes, microfibre towels, bamboo towels (very eco friendly), customized vouchers

Truly, NoWet is different, try it and keep your vehicles looking the best all the time.
