To whom it may concern,

Enviroclean Australia has employed the services of Nowet Waterless Car Cleaning Toowoomba. We have chosen Allan and Jodie at NoWet to clean our own vehicle and the manager's vehicles of Enviroclean clients on a regular basis.

We have found NoWet to be very professional, reliable and prompt.

Their environmentally friendly products compliment our business and they have an outstanding performance. Our clients are telling us their vehicles look like new.

We can strongly recommend Allan and Jodie of NoWet Toowoomba.
